WELCOME TO THE "PREMIERE" IN INDONESIA

Dear Partners,

This will be the ninth edition of our well-established IMCAS Asia congress. However, we pride ourselves on being innovative, so this year IMCAS Asia will take place in Indonesia for the first time ever. This is, therefore, the ideal platform for aesthetic laboratories and manufacturers to present their latest developments to the hundreds of dermatologists, plastic surgeons and aesthetic practitioners who will come from all over Asia and Australasia to update their knowledge.

IMCAS Asia 2015 will provide companies with « classic » sponsorship opportunities such as:

- Advertising,
- Sponsored sessions,
- Signage,
- Live Injection Anatomy Cadaver Workshop...

But also some novelties, such as:

- The cosmeceuticals - state of art course,
- Delegate room drop,
- Ad on our brand new website!

Finally, this congress is also the occasion to take stock of the Asian aesthetic market by revealing the figures and the trends during the IMCAS Industry Tribune.

Be part of IMCAS Asia 2015 and join us for this new adventure!

GETTING TO KNOW US

IMCAS MISSION STATEMENT

IMCAS is dedicated to providing the highest quality of teaching through the interface of aesthetic surgery and cosmetic dermatology. Achieving this vision requires a dynamic organization whose mission embodies the following standards:

- Unification and fair representation of plastic surgery and dermatology
- Excellence in teaching all leading subjects on aging skin treatments
- Constant adherence to ethical conduct

AN UNEQUALLED TRADITION OF PROFESSIONAL SUPPORT

IMCAS started in 1994, in Paris, France, as a congress dedicated to plastic surgeons and dermatologists. Since its conception, IMCAS has sought to bridge the knowledge vacuum between plastic, reconstructive & aesthetic surgery and dermatology, thereby generating a synergetic and mutually reinforcing interface among these two fields.

IMCAS TODAY

What began more than 17 years ago has now grown in terms of participation and renown. As such, IMCAS has become one of the most important international courses dedicated to aging skin treatments. Over the year, our congresses welcome around 10 000 participants, coming from as many as 85 countries worldwide.

GETTING THERE

ABOUT THE VENUE

ABOUT BALI

Bali is considered as one of the most enchanting travel and holiday destinations in the whole world. The Island of the Gods has managed to maintain its uniqueness and magic over the decades, despite its growing number of visitors. Bali Island is jam-packed with rice paddies, beautiful panoramas, volcanoes soaring up through the clouds, tourist activities and attractions, dense tropical jungle, long sandy beaches, warm blue water and crashing surf. This tropical paradise has a unique blend of modern tourist facilities combined with wonderful shopping and a rich cultural heritage. The friendly people and the overall safety guarantee visitors a totally relaxing stay. Moreover, it benefits from pleasant climate all year-round. Bali is the pledge of an unforgettable stay.

ABOUT THE WESTIN RESORT NUSA DUA, BALI

Nestled on a white sandy beach on Bali's southern coast, the Westin Resort Nusa Dua, Bali provides travellers with a rejuvenating haven with all they need to be at their best. This five-star hotel also offers a range of recreation options including three swimming pools, a variety of water sports, two tennis courts, a spa and a fitness center. It is located in a secluded enclave with access controlled by private security, and just 10 kilometres from Bali's international airport and 25 minutes from the vivacious Kuta, Legian, and Seminyak districts. Nusa Dua exceeds all expectations as a world-class tourist destination and is among some of the best places to visit in Bali.

CONFERENCE ADMISSION DELEGATE BADGES

Admission is by badge only. An adult must accompany children under the age of 16. IMCAS strictly complies with the criteria required for CME accreditation. This is why access to the conferences is subject to a number of strict rules, which aim to guarantee the scientific independence of the conferences, and to preserve them from any commercial interest or influence. A precise Badge Policy has been implemented, specifying the rules related to admittance to the different areas of the IMCAS conferences. According to each participant's status (delegate, faculty, exhibitor, etc...), a corresponding bar-coded badge is issued.

The IMCAS Badge Policy is mandatory for all participants. Its violation will authorize IMCAS Staff to take measures in order to restore order, and may lead to the withdrawal of the badge and the prohibition of access to the conference area.

Fees for Delegate registration include:

- all conference sessions
- access to exhibit area including coffee and lunch breaks
- access to networking cocktail
- USB key with abstracts and course handouts, as well as the Program Book

NETWORKING COCKTAIL

Come and join us for the Networking Cocktail! Scheduled on **Friday, July 31 from 7 pm to 8 pm**. Open to all attendees (delegates and exhibitors).

COFFEE & LUNCH BREAKS

- on Friday, July 31: coffee breaks at 10:30 am & 5 pm - lunch at 1 pm
- on Saturday, August 1: coffee breaks at 10 am & 4 pm - lunch at 1 pm
- on Sunday, August 2: coffee break at 10.30 am

Coffee and lunch breaks are served on site to allow our delegates to maximize their visit to the exhibition hall. Complimentary food and beverages are provided to Delegate and Faculty badge types only.

FINAL PROGRAM BOOK & ABSTRACTS

Abstracts accepted by the Scientific Committee are published in the free IMCAS Asia 2015 Program Book distributed onsite to all the attendees and also available on [imcas.com](http://www.imcas.com).

An additional USB key containing the abstracts may also be published (to be collected directly at the booth of the company sponsoring it).

Companies and participants may copy material for their personal use; however further copy for sale or for any other commercial purpose is prohibited without prior permission from IMCAS.

IMCAS E-LEARNING EXPERIENCE

Discover onsite the two locations dedicated to enhancing the E-learning experience of all the attendees.

- IMCAS booth: did you know that you can send messages to IMCAS speakers or watch live demonstrations from previous editions of IMCAS at imcas.com? Visit the IMCAS booth to become acquainted with all of the features of the IMCAS website and to fully benefit from what it has to offer to you. IMCAS will no longer hide any secrets from you!

- IMCAS e-learning station: besides allowing participants to submit their evaluation and browse the web during the whole congress period, the e-learning station complements the learning experience by providing additional content to the classic scientific sessions.

- E-papers provide an opportunity for the exchange of information. They will be available for consultation at the e-learning station and will be accessible to all attendees at any time during the entire conference period.

- Video papers from previous congresses will be available to view online to allow attendees to review these presentations.

JOURNAL CORNER & SCIENTIFIC POSTER SESSION

Whilst the future of scientific teaching may be moving into the digital sphere, IMCAS continues to promote the « classic ways » of teaching and learning by proposing some additional paper-based formats:

- The purpose of the journal corner is to provide each delegate with free access to selected scientific journals edited by medical learned societies. Each journal partner has been chosen by the IMCAS Scientific Board for its scientific quality.

- Posters will be displayed during the entire conference period and will be accessible to all attendees at any time (meeting point being the Welcome Desk).

The POSTER session allowing the attendees to meet the poster contributors is held on **Saturday, August 1 at lunchtime (from 1 pm to 2 pm)**.

ACCOMMODATION

IMCAS has the pleasure of offering a special negotiated package at the hotel conference venue (Westin Nua Dusa) to its attendees (to be booked online or through the registration form). It includes:

- 3 nights hotel accommodation from July 30 to August 2
- buffet breakfast
- complimentary WIFI

Should you wish to stay in another hotel, do not hesitate to browse our dedicated webpage: <http://www.imcas.com/en/attend/imcas-asia-2015/plan-your-imcas>.

TRANSPORTATION AND TOURS

We have selected some unique trips so that our participants can discover the magic island of Bali: <http://www.imcas.com/en/attend/imcas-asia-2015/plan-your-imcas#tours-and-travel>.

TIME DIFFERENCE

Bali time is GMT plus 8 hours.

VISA & ENTRY REQUIREMENTS

Please contact the Indonesian Embassy or Consulate closest to your residence to find out specific conditions which may apply to your country of nationality. You can also obtain some preliminary information through the following link: http://www.embassyofindonesia.org/wordpress/?page_id=188.

ELECTRICAL STANDARDS

Local voltage: 220 volts AC, 50 cycles per second. The power plugs used in Bali are the two-pin plugs (type C / F), which are the same as those used in Europe

CURRENCY AND EXCHANGE

Local currency: Indonesian rupiah (Rp). Current exchange rate (as of March 2015) -> 1 Dollar = 13,157.60 IDR Banking hours: Monday to Friday: 8 am to 3 pm, Saturday 8 am to 1 pm.

CLIMATE

Bali is located very near to the equator. Therefore it experiences a tropical climate with year round temperatures averaging 30 degrees Celsius. The months of July and August are the best ones to visit the island as it is the dry season. The climate conditions in Bali are ideal for various beach activities during this time of the year. Occasionally rainfall can also be expected during the dry season, usually at night or very early morning. But even when it rains, Bali remains one of the most enjoyable destination for tourists.

« FORCE MAJEURE »

The Organizers reserve the right to modify dates, time schedules, floor plans and programs caused by a « Force Majeure ».

« Force Majeure » is defined as incidents beyond anyone's control, extending circumstances out of the control of the Organizers (such as but not limited to general strikes, invasions, hostilities, war, rioting or similar situations which prevent performance of the contract) or acts-of-God (such as but not limited to epidemics, floods, volcanic eruption, earthquakes or other convulsions of nature and other acts). In that case, the application of the contract remains binding.

In the case of event cancellation caused by, or resulting from, directly or indirectly « Force Majeure », the Organizers will notify the Exhibitor. The contract between the IMCAS and the Exhibitor shall automatically terminate, and IMCAS may retain as liquidated damages any and all fees paid by the Exhibitor.

IMCAS NON COMPETITION POLICY

1. A firm or a laboratory exhibiting at IMCAS, except with prior approval from the IMCAS Secretariat, cannot organize any seminars or workshops, involving delegates (registered doctors, nurses, etc.) during the:
 - preceding 24 hours
 - entire duration of the congress
 - following 24 hours

2. Consequently, a meeting room can be hired for internal corporate meetings only. Please be reminded that IMCAS retains the right to refuse any hire request that does not comply with the above-mentioned requirement

LIABILITY

The Organizer shall not be liable to the Exhibitor or to any other person for:

- loss of life
- injury to person
- loss or damage to property or goods

INSURANCE

Exhibitors are advised to be fully insured by their own insurance policy including, but not limited to, risks to their property and goods, public liability, and loss or damage caused by circumstantial reasons such as fire, water, theft, and accidents. Exhibitors shall insure against, indemnify and hold the Organizer harmless with respect to all costs, claims, demands and expenses to which the Organizer may in any way be subjected as a result of any loss to the public or any persons present at the event, caused as a result of any act of the default of the Exhibitors and their affiliates, agents and contractors.

COMPLIANCE WITH INDONESIAN LEGISLATION

1. EXHIBITING?

Can you display your product(s) during the exhibition? Exhibitors must ensure that their products displayed, exposed or utilized during the event are legally approved under the law of Indonesia. You therefore have the following choices:

- either exhibit products that are already registered in Indonesia, the aim being that the registered doctors can buy the product in Indonesia afterwards through a registered distributor
- or present studies of the product to be soon registered. In that case, the product by itself will not be physically exhibited but available to view through brochures or flyers.

2. SELLING?

Can you sell your product(s) during the exhibition? Any purchase made by the attendee should be done in exchange for a registered invoice, meaning that your company must be legally registered in Indonesia. If this is not the case, a local distributor is the solution.

3. DEMONSTRATING?

Can you perform a live demonstration using your product or device? **Option 1• during a symposium, workshop or/and a live demonstration** Please check the corresponding chapter of 'Focus on Symposium and Live Demonstrations' on IMCAS website. **Option 2• on your booth** The Exhibitor is permitted:

- to demonstrate the company products and services, only involving cosmetics and non-prescription skin care products.
- with prior approval by our Scientific Committee.

If the live demonstration (performed on patients) deals with prescription based products or devices (hyaluronic acids, peeling, lasers, ultrasound, etc.) for obvious security reasons and health guidelines, it should only be conducted within the dedicated IMCAS room, by sponsoring a 20-min live demo, a workshop or a symposium as described in Option 1.

IMCAS ASIA IN BALI

3-NIGHT HOTEL PACKAGE

Thursday, Friday, Saturday nights
July 30 - August 2

HOW DO I GET TO NUSA DUA, BALI?

By air:

The main international gateway to Indonesia is the Sukarno-Hatta International Airport of Jakarta (also known as Cengkareng CKG). From here you will need to get a connecting flight to the International Airport of Denpasar (DPS) (also known as the Ngurah Rai International Airport) on the island of Bali which is conveniently situated just 20 minutes away from the Westin Resort by car.

By taxi:

There are few public transport options available, so the easiest way to get from the airport to the Westin Resort is to take a taxi cab costing between 100,000 and 150,000 IDR (8-12 USD).

WHAT ARE MY CHOICES?

- Westin Resort, Nusa Dua, Bali (conference venue)
- Grand Hyatt Bali, Nusa Dua (6mins away from the conference venue)

WHAT DOES IT INCLUDE?

- 3 nights from July 30 - August 2
- breakfast for 1 or 2 persons
- Complimentary WiFi

WHAT ABOUT ADDITIONAL NIGHTS?

For any additional nights before July 30 or after August 2, contact us at registration@imcas.com

HOW DO I BOOK?

Book at www.imcas.com or by using the hotel reservation form on the right.

4 How can you select the time slot of your symposium / live demonstration?

- Symposiums will be assigned on a first-come, first-served basis. If the symposium reference you selected is not available, the next best option will be attributed at the discretion of the Organizer.
- Live demonstrations will be assigned on a first-come, first-served basis. Regarding the exact schedule, please note that live demos are classified by topics approximately 1 month prior to the conference (you will be notified of the exact sequence at that time only).
- For both symposiums and live demonstrations, the Organizer reserves the right to change the schedule without prior notice (due to scientific requirements).

5 Can an international doctor perform your demonstration?

To perform a demo on a living patient, the practitioner, should be either a physician board certified within the country in which the congress takes place, or if not the case:

- he/she should apply for a visiting license OR
- he/she should be accompanied by a physician who is him/herself board certified within the country in which the congress takes place

Please kindly note that IMCAS will provide a local board certified physician in each symposium / live demonstration room.

6 What about the copyright / broadcasting of sponsored sessions?

We remind you that IMCAS holds the copyright to all educational materials presented or derived from its meetings, such as: video recordings of live demonstrations / symposia / handouts / posters / abstracts / presentation synopses. The information presented during the IMCAS meetings may not be published or broadcasted in any media in its original format (except for the news releases). Consequently, all live demo and symposia are derivative products of IMCAS and the property of IMCAS. Sponsored sessions will be available on our IMCAS e-learning website after the congress, to be browsed by our congress attendees and all IMCAS members.

7 Who chooses the speakers of an educational grant session?

Educational grant sessions are eligible for medical continuous education credits. Therefore, they differ from a sponsored session as they have to comply with the rules of accrediting organizations. This is why it is the IMCAS Scientific board that makes the final decision regarding content and lecturers for these sessions.

8 How and when can you collect your badges?

Badges being nominative, each attendee should retrieve their badge individually at the dedicated desk. To retrieve the badge, please present:

- the IMCAS confirmation letter
- an ID card or passport
- a business card

Refer to page 6 to find out the opening hours of the welcome desk.

9 Can you change the name of an ordered badge?

When registering, the complete contact details of the attendee are requested. Badges are nominative, therefore, once the registration has been treated and validated, it cannot be modified.

10 How can you access the scientific sessions?

Access to scientific sessions is granted to attendees with «delegate» type badges only. Should you wish to attend these sessions, your exhibitor badge will need to be upgraded for an additional fee, payable either at the welcome desk of the conference or by emailing us the congress registration form.

11 Can you obtain the list of attendees?

The IMCAS database is declared to the National Commission of Information and Liberties (CNIL), under the number 1161141. As such, IMCAS is not allowed to transfer any data belonging to its database, to any external company. To obtain a list of attendees, we advise you to rent a leads retrieval onsite. Leads are then emailed within the 2 weeks following the conference.

12 How can you know the number of participants as well as the population distribution ?

- The total number of attendees will be announced at the end of congress. A few months before the congress, a predicted number of participants can be communicated to companies who request the information (IMCAS has grown by 10% each year since its first edition 17 years ago, so we base ourselves on these figures to stay realistic.)
- Population breakdown (by specialty and geographical area) is sent by email to exhibiting companies 2 weeks prior the conference. The final breakdown data is available online 2 weeks after the end of the conference.

13 How can you book your booth for the next congress?

With regard to advance booking, the signed Purchase Order is mandatory to reserve a booth. Should you want to be among the first partners to receive the Exhibitor Guide once it is ready, we advise you to send an email to industry@imcas.com stating your interest for the congress of your choice (you will be immediately listed as prevailing contributor).

14 Does IMCAS offer any discounted sponsorship packages?

Be assured that our prices are always studied extremely carefully, reflecting the quality of both the sponsorship product and of IMCAS congresses. Our main concern is to offer our delegates and our exhibitors the highest standards in scientific and logistical matters. If you wish to discuss pricing further please give us a call, we will be happy to talk to you.

15 How can you share with us your feedback?

You will be asked, at the end of each conference, to submit your evaluation form in which you will be able to give some feedback on the congress. We also welcome feedback from our exhibitors year round. Please send any comments and suggestions to contact@imcas.com.
