JOINT EVENT  
JULY 13 TO 15, 2018 • BANGKOK

## FOR ITS 12<sup>TH</sup> EDITION, IMCAS ASIA IS PROUDLY RETURNING TO *Bangkok!*

We are thrilled to announce that we have teamed up with THAICOSDERM (Thai Society of Cosmetic Dermatology and Surgery) in the bustling city of Bangkok.

Located in the heart of Southeast Asia, the capital of Thailand is the world leader in plastic surgery and aesthetic dermatology.

We are delighted to welcome over 120 international speakers during 150 teaching hours, with more than 1,500 attendees arriving from all over the globe.

With an emphasis on Asian morphologies, innovations in medical techniques, laser & EBD and injectable treatments, we are proud to bring you presentations from the finest doctors in the aesthetic medical field, whether they are well-known dermatologists or plastic surgeons.

This year, our program is full to the brim with all of our most notable courses and lectures. With 15 key themes covering 3 full educational days, there is something for every aesthetic practitioner. From surgical and non-surgical procedures for the face, breast and body, to clinical dermatology, regenerative medicine, and practice management, not to forget discussions focusing on injectables, lasers & EBDs and genital treatments.

Our ever-popular Anatomy on Cadaver Workshop is returning this year to offer physicians an in-depth view into the anatomy behind the injections during a full day of live streaming. In addition, our optional Video Classes will enrich your learning experience through lessons on individual topics, which demonstrate processes and techniques that you can take home with you.

After three intensive days engaging in all of our cutting-edge events, relax and get to know your peers better with our Networking Cocktail on the Friday evening and our elegant Gala Dinner on the Saturday evening.

Bangkok is home to a vibrant culture seeped in tradition. A place where modernity and tradition blend together, it is easy to see why so many people flock to the city every year. As a result, Bangkok is the perfect setting for a weekend filled with the latest developments in the medical aesthetic field.

Welcome to IMCAS Asia 2018 joint event with ITCAM of THAICOSDERM in Bangkok.
