WELCOME

TO IMCAS ASIA 2025 IN BANGKOK

Dear Esteemed Colleagues, Friends, and Global Experts,

It is with great honor and heartfelt enthusiasm that we welcome you to IMCAS Asia 2025, taking place in the vibrant city of Bangkok, Thailand—a dynamic hub where tradition meets innovation, and where science and aesthetics converge at the highest level.

The IMCAS Asia Scientific Board and Faculty are proud to extend a personal invitation to what promises to be one of the most exceptional editions in our congress history — an event that has grown into a truly global platform with a distinct Asian spirit, bringing together leading experts, visionary educators, and industry pioneers from across the world.

The 2025 scientific program has been meticulously crafted to meet the needs of today's forward-thinking practitioners — featuring advanced clinical content, live patient demonstrations, immersive learning formats, and groundbreaking research that is redefining modern dermatology, aesthetic medicine, plastic surgery, and anti-aging care.

IMCAS Asia is more than just a meeting — it is a shared space for global excellence, where scientific rigor, artistic innovation, and meaningful collaboration come together. It is where the next chapter of our field will be written — and we want you to be part of it. Participants will connect with leading voices from around the world, engage with a dynamic industry presence, and experience the latest breakthroughs firsthand. From state-of-the-art products and cutting-edge devices to pioneering innovations that are reshaping the future, IMCAS Asia is where ideas meet action — and where opportunities to learn, network, and be inspired are around every corner.

In the spirit of Thai hospitality, we invite you to join us not only to learn, but to connect, contribute, and grow — in knowledge, in network, and in vision. Whether you are an established authority or a rising talent, IMCAS Asia 2025 offers a stage for your voice, your expertise, and your passion.
