One registration list per accounting entity should be created, as separate invoices will be issued (the discount applies to the total number of badges across all lists created by an exhibiting company).

GUIDELINES: BADGES & ACCESSES

IMCAS is a congress created by physicians for physicians.

- All badges give access to the exhibition during the 3 congress days.
- Physicians' badges grant full access to all congress sessions (nota: only board-certified plastic / oculoplastic / facial plastic surgeons have access to surgery sessions).
- All medical doctors **must** be registered under the "Physician" badge type.
- PhD badges grant access to all congress sessions except surgery (industry representatives holding a PhD may therefore attend the scientific sessions with a PhD badge).
- Additional exhibitor badges are only reserved to industry representatives from your company, and / or staff from your distributors and suppliers. No healthcare practitioners should be registered with this badge.
- All badge registrations are subject to review by the IMCAS team, and can be cancelled or downgraded in the event that the registrant specialty does not respect our guidelines and badge policy. **No refund will be issued.**

WHAT ARE THE PAYMENT METHODS ?

- Credit card payments and bank transfers are accepted.
- The percentage of the discount is binding, meaning that:
  - the company's Main Contact or Group Registration Manager is responsible for getting all invoices settled
  - all coordinators benefit from the same discount provided that all payments are made in due time
- Should one of the coordinator's invoice not be paid by the due date, all Priority Points (type D) earned with group registration for the current edition will be lost.
- No billing information can be amended after the closing of the platform on May 21, 2025. The information submitted by each coordinator prior to this date is the information which will be used for their invoice.
  Before May 21, Main contacts and Group Registration Managers can check and update the billing data of each list via the platform.
