CONFERENCE ADMISSION

Admission is by badge only. IMCAS is a professional congress, only meant to be attended by professionals. Therefore, a precise badge policy has been implemented specifying the rules of admittance to the different areas of the congress, complying with the criteria required by the CME accreditation organizations and the Partner Scientific Societies. According to each badge type, a full or partial access is issued. Exhibitors can register for the congress through the company's IMCAS exhibitor portal. Please contact the Industry Department for any further information regarding exhibition: industry-china@imcas.com

In order to comply with scientific regulation, the IMCAS badge policy discloses that all badge registrations are subject to review by the IMCAS team. Upon request, attending physicians are required to provide documented proof of their medical education to validate their declared specialty and ensure the complete access of their medical field.

Registrations may be cancelled and refunded at the sole discretion of the IMCAS team in the case that the registrant specialty does not coincide with the congress topics.

PROGRAM MODIFICATION

Please note that while speakers, exhibitions and sessions were confirmed at the time of publishing, circumstances beyond the control of the organizers may necessitate substitutions, alterations or cancellations. As such, IMCAS reserves the right to alter or modify the advertised speakers, exhibitions and sessions if necessary, without liability. Any substitutions or alterations will be updated on our portal as soon as possible.

REPLAY

You can watch every session you have access to, live during the congress and in replay for the three weeks after the congress, on the IMCAS Live app or the IMCAS.Live website.
