DEAR PARTNERS,

We are delighted to announce IMCAS Annual World Congress 2019 taking place from January 31st to February 2nd.

Thousands of dermatologists and plastic surgeons from all over the world arrive once again in Paris for a packed educational 3-day weekend. This year we are expecting more than 10 000 delegates, 310 teaching hours and 700 key speakers, making our 21st edition the biggest one yet!

IMCAS takes great pride in having created a system to give you full freedom to book your booth and sponsorship your own way. Select your booth freely through the online interactive map in whatever size and location you wish. You can choose the products you want from our vast catalog. Make your sponsorship reflect YOUR needs!

Make sure to look out for all of the new features:

- 1) tech labs, breakfast and learn, live demonstration webinars, and many other innovative sponsored activities for further one-on-one interactions with the delegates;
- 2) a Surgery Village, strategically located near the 3-day surgery course, gathering all the companies targeting plastic surgeons;
- 3) all-new kits to allow you to cover all of the basis in just one click!

We remain entirely at your disposal and look forward to welcoming you..
