- CANCELLATION must be made in writing.
- Cancellation requests received BEFORE 1st December 2023:** 70% of the registration fees will be refunded.
- Cancellation requests received AFTER 1st December 2023:** there will be no refund.

CONFERENCE ADMISSION

Admission is by badge only. A precise badge policy has been implemented specifying the rules of admittance to the different sessions of the congress, complying with the criteria required by the CME accreditation organizations. According to each badge type, a full or partial access is issued.

Exhibitors can register for the conference through the company's IMCAS exhibitor account. Please contact the Sales Department for any further information concerning exhibition: industry@imcas.com

IMCAS is a congress created by physicians, for physicians (Medical Doctors). Access to the congress and sessions is subject to a number of regulations that aim to guarantee the scientific independence of the congress and preserve it from any commercial bias or influence.

A precise badge policy has been implemented specifying the rules of admittance to the different areas of the congress, complying with the criteria required by the CME accreditation organizations and scientific society partners.

According to each badge type a full or partial access is issued (after verification of required supporting documents). In this regard, in respect of the local policies towards medical aesthetic treatments, no admittance to the congress sessions is allowed for dentists (except from countries in which dental surgeons are allowed to practice cosmetic injections - we will need an official statement from the local medical authorities confirming this authorization). IMCAS is authorized to take measures which may lead to the withdrawal of the badge and the denial of access to the congress area if the badge policy is violated.

ADDITIONAL INFORMATION ON ACCESSES

Coffee breaks are included for all badge types. Lunches are to be purchased separately.

All sessions available in replay for 3 weeks.
