**Master your
practical skills**
in dermatology, plastic
surgery and aging science

MUMBAI
THE LEELA

NOV 15-16
2025

WELCOME TO IMCAS INDIA MASTERCLASS

Today, you join an exclusive gathering of just 300 dermatologists and plastic surgeons, brought together in Mumbai for two extraordinary days devoted entirely to the science and artistry of facial aesthetics.

This Masterclass stands apart as a new and distinguished addition to the IMCAS circuit. With no exhibition, no distractions, and no compromise on quality, every moment here is dedicated to your learning and advancement. The setting is intentionally intimate, allowing you to engage not only with your peers but also directly with the global masters who define excellence in the field.

Over the course of the next two days, you will experience unprecedented access to world experts in facial aesthetics, with the leadership of Dr. Ofir Artzi, Dr. Steven Cohen, Dr. Seemal Desai, and Dr. Anastasios Vekris, whose pioneering contributions shape the landscape of aesthetics worldwide. In addition to these masters in facial aesthetics, we are proudly supported by national scientific societies in dermatology and plastic surgery, such as CDSI, IAAPS, IADVL, and SAARC.

Together, we explore a rich range of topics, from injectables and pigmentary disease to regenerative medicine for both skin and hair, and advanced surgical techniques for the face. Each session is designed to immerse you in knowledge that is both deeply scientific and immediately practical, sharpening your expertise and enriching your daily practice. This is more than just a 2-day course; it is an immersion in mastery. Exchange ideas face-to-face with the foremost authorities in aesthetics, challenge your perspectives, and refine your approach in an environment that is as rigorous as it is inspiring.

Engage fully, connect deeply, and allow this Masterclass to elevate both your skill and your vision for the future of facial aesthetics.

IMCAS FUND

IMCAS Fund promotes scientific progress to address key challenges in dermatology, plastic surgery, and aging science, improving physicians' daily practice worldwide. Acting as a nonprofit intermediary, it collects donations to support selected high-impact projects. The selection committee, composed of renowned medical practitioners, identifies promising initiatives, offering mentorship and financial backing to drive innovation and collaborative learning.

GENERAL INFORMATION

ACCIDENTS, DAMAGES, AND LOSSES

IMCAS and the Leela Mumbai are not responsible for any damages and/or losses that may occur during the official conference and social programs. All Masterclass attendees participate at their own risk and are advised to insure themselves against any loss, accident, or damages that may occur during the conference. Verbal agreements are not considered binding, unless confirmed in writing.

BADGE ACCESS

The IMCAS India Masterclass is reserved solely for dermatologists and plastic surgeons. The purchase of a badge in an individual's name is nontransferable. All badges must be scanned to confirm verification before entering a specific area. Please refer to the registration form for badge categories, types of access, and the IMCAS cancellation policy.

CERTIFICATE OF ATTENDANCE & SPEAKER CERTIFICATE

Delegates, faculty, and contributing speakers can obtain a certificate of attendance at the end of IMCAS India Masterclass 2025. Each registered participant and speaker is asked to fill in the online evaluation online form within the next 30 days. Once submitted, the corresponding certificate will be made available for download.

CONFLICT OF INTEREST POLICY

IMCAS values transparency in all scientific courses. As part of IMCAS' COI policy, each speaker is required to disclose any sponsorship or commercial bias within their presentation. The COI policy applies to all Masterclass speakers and contributors involved in the scientific program, including faculty and members of the Scientific Board. The content within the Scientific Program consists of both sponsored and non-sponsored session material by means of educational grants and direct sponsorships.
